Integrated Management System (IMS) Policy

Includes

QMS- Quality Management System (ISO 9001:2015)

EMS- Environmental Management System (ISO 14001:2015)

OHSMS- Occupational Health and Safety Management System (ISO 45001:2018)

RENFRA ENERGY is committed to achieving excellence in **Quality, Health, Safety, and Environmental (QHSE)** performance by delivering reliable, prompt, defect-free, and complete solutions in the wind and solar energy sectors, including turnkey project execution and operation & maintenance services. We strive to achieve customer satisfaction through quality, safety, environmental responsibility, and continual improvement.

We are dedicated to:

- Meeting customer requirements and complying with all applicable legal, statutory, regulatory, and other obligations.
- Delivering products and services that consistently meet agreed quality, quantity, specifications, delivery commitments, and strive for zero defects through effective quality management.
- Providing a safe and healthy workplace by eliminating hazards, reducing risks, and preventing work-related injuries and ill health.
- Ensuring the safe operation of plant, equipment, processes, and the safe handling, storage, and transportation of materials and hazardous substances.
- Protecting the environment by preventing pollution, minimizing waste, conserving natural resources, and promoting sustainable practices.
- Ensuring employees and contractors are competent, medically fit, legally qualified, and actively participate in Quality, Health, Safety, and Environmental (QHSE) initiatives.
- Communicating relevant QHSE requirements and risks to all interested parties, including contractors and visitors.
- Continually improving the effectiveness of the Integrated Management System to enhance customer satisfaction and QHSE performance.

MUTHURAJ PERIYASAMY
