

Occupational Health Safety Management System

M/s Renfra Energy India Limited is committed to provide a safe and healthy work environment for all employees, contractors and all stakeholders. We prioritize the wellbeing and safety of our workforce and aim to prevent all injuries, accidents and occupational illness through proactive measures and continual improvement.

Our Vision:

We are dedicated to maintaining premier standards in Health, Safety and Environmental (HSE) management by integrating best practices into our core operations. Our management is firmly committed to a policy enabling a no-harm work environment. All measures shall be undertaken to remove risks to health, safety and welfare of all personnel.

Our Promise:

Prioritize people: Ensure the safety of our workforce, clients, visitors, and partners above and all else.

Integrated planning: Embed HSE as a core objective across all phases of our business – from initial design, construction and O&M of all projects.

Continual Improvement: Persistently evolve our KPIs to eliminate risks and protect our employees from occupational health hazards. Mandatory safety awareness programs shall be organized for all workmen at site locations.

Our Approach:

Cultivating culture: establishing a robust safety mindset and Occupational Health and Safety Management System (OHSMS) that governs every safety operation.

Regulatory rigor: Ensuring full compliance with all legal mandates and industry regulations through structured management systems.

Strategic partnership: Engaging with our clients, contractors, and external experts to collectively advance HSE standards across our core operations

Trainings: Regular trainings at periodic intervals to maintain awareness in the workforce and ensure we are maintaining the evolving industry standards.

Our Collective Responsibility:

The principle of "Safety and Health for All" is a shared responsibility. Every team member, particularly those managing high-impact activities, is expected to lead by example and demonstrate an unwavering commitment to safety in every task they perform.
